

Greetings to all FBI Citizens' Academy Graduates!

The FBI Citizens' Academy Alumni Association is a community-based and supported organization, distinct and separate from the FBI, designed to promote a safer community through community service projects, and to effect a more informed community about law enforcement, with particular emphasis on the mission, resources, and capabilities of the FBI.

The Chapter Officers and members of the Pittsburgh Chapter of the FBI Citizens' Academy Alumni Association hope that you will consider joining the Alumni Association or renewing your membership for the 2010 membership period. To join or renew your membership, please complete the form at the end of this email and return it to me, including a check for \$25.00 payable to: "FBI Pittsburgh CAAA".

Membership in the FBI Pittsburgh Citizens' Academy Alumni Association qualifies you to participate in FBI and Alumni Association events, including:

- Invitation to FBI CAAA members-only events through the year (some programs charge a nominal fee)
- Tour the FBI Academy at Quantico, Virginia and the FBI Headquarters in Washington, DC (these tours are not available to the general public)
- Tour the Criminal Justice Information Services and National Biometrics Lab facilities, both in West Virginia
- Invitation to the Alumni Association Range Night, where FBI personnel provide instruction in the safe operation of FBI firearms
- Invitation to the Evening Lecture Series, where FBI personnel and other law enforcement experts discuss a range of topics
- Invitation to other special events hosted by the Chapter Officers or other Alumni Association Members
- Invitation to attend several of the 2010 Citizens' Academy classes at the FBI Pittsburgh Field Office
- Continue to be listed as a resource for the FBI
- Have the opportunity to join the Board or Committees of the FBI Pittsburgh CAAA
- Invitation to nominate individuals to attend future FBI Citizens' Academy sessions

Because the FBI Pittsburgh Citizens' Academy Alumni Association is separate from the FBI, the association is self-supporting through membership dues. Your \$25.00 annual dues help us to:

- Have an association treasury to support the costs of keeping FBI Pittsburgh CAAA members informed about membership activities, support the costs of hosting members-only special events and functions, website fees, and other administrative expenses.
- Organize special events and training sessions
- Provide for honorariums for special guest presenters at various FBI Pittsburgh CAAA functions
- Pay FBI Pittsburgh CAAA Chapter dues to the FBI Citizens' Academy National Association, who charters our organization

Please complete the information requested below and send your check payable to "FBI PITTSBURGH CAAA" to my attention at the address below. Receipt of your dues will enroll you as a member of the FBI Pittsburgh CAAA as a member in good standing through December 31, 2010.
